

Student Leadership Conference 2019

Dear Brockport Alumni,

The Leadership Development Program will be hosting our 12th annual Student Leadership Conference on **Sunday, February 24th, 2019**. The Conference Planning Committee, made up of our students in the Capstone level of the program, are currently calling for programs for the conference from our incredible alumni.

Our theme this year is "**Leadership... Your Way.**"

We are seeking session facilitators – alums who are willing to come back and lead engaging workshops for students attending the conference. We invite you to con share your knowledge and experience. Each session of the conference will be 50 minutes in length and attended by approximately 25 to 50 students. Our goal is to provide engaging and interactive sessions that allow the participants to reflect on their own leadership experiences, so please keep that in mind as you create your presentation. We are excited to have Brockport alumni share how they found their own way as leaders while assisting our students with finding theirs.

The annual Student Leadership Conference is an opportunity for our students in and out of Leadership Development Program to gain new insight from active leaders, as well as build on the knowledge they have received from the program and previous conferences.

With your help, expertise and contributions, this conference can be our best yet! Please help us in "**Building a Better Brockport**", TOGETHER!

Thank you for considering this opportunity. Please submit your proposal by Tuesday, December 18th, 2018 by completing our [online form found here](#). If you have any questions as you prepare, please do not hesitate to contact us at bportleadership@gmail.com. Please note we may not be able to accommodate all program submissions.
