* Hours generated within the department throughout the academic year

[^] Hours as generated by Faculty in the department. Instructors from other departments who contribute to SCH are not reported here

~ Non-Tenure Track previously reported as QAR

NOTE: Tenure/Tenure Track and Non-Tenure Track are considered Full Time for the academic year and are reports as such, regardless of whether the instructor remained actively teaching in the School for the entire academic year. Adjunct FTE represent the departmental budgeted FTE for the instructor over the academic year (fall and spring)
