* Hours as generated within the department throughout the academic year

^ Hours as generated by Faculty in the department. Faculty from other departments who contribute to SCH are not reported here

NOTE: Tenure/Tenure Track and QAR are considered Full Time for the academic year and are reported as such, regardless of whether the instructor remained actively teaching in the School for the entire academic year. Adjunct FTE is also in this column and represents the departmental budgeted FTE for the instructor over the academic year (fall and spring)
